

Moscow

28th October 2021

**INVITATION TO TENDER
SINGLE SUPPLIER AGREEMENT**

TYRE

The tendering procedure is initiated by Russian Drift Series LLC (hereafter "RDS"). The objective is to select an exclusive supplier of tyres whose task it will be to ensure the production and delivery of the tyres to RDS in the 2022 Russian Drift Series Grand Prix Championship (hereafter "the Championship").

Interested parties are hereby invited to tender to become the single supplier of tyres to the competitors in the Championship by submitting a proposal.

RDS reserves the right to make amendments to this invitation to tender at any time and to issue a new invitation to tender.

The **timeline of this tendering procedure** is the following:

- Publication of invitation to tender: 29th of October 2021
- Expression of interest: 3rd of November 2021
- Tender submission date: 12th of November 2021
- Decision made / Order confirmation: 22nd of November 2021.

All proposals shall be submitted via email to Ms. Olga Poltavskaya at olga@rdsqp.com.

The proposal should include the following information:

1. Manufacturer's brand, legal name and address;
2. General company information
3. Proven track record of tyre supply to a motor sport championship or series.
4. Quotation in USD as per clause 3 of the Terms & Conditions herewith;
5. Proposed product specifications / product data sheets.
6. Product results (as available)

Should you require any clarification, please contact Ms. Olga Poltavskaya at olga@rdsqp.com or via mobile +7 916 457 3320.

TERMS & CONDITIONS

1. GENERAL TERMS

- 1.1. RDS appoints the Provider to be the exclusive supplier of the tyres to the competitors for the championship and the Provider hereby accepts this appointment and agrees to supply the tyres to RDS in accordance with the terms of this CONTRACT.
- 1.2. RDS shall procure the tyres centrally and further distribute the product among the Competitors.
- 1.3. The agreement between the selected exclusive supplier and RDS is a supply agreement. No marketing cooperation and RDS licensing rights transfer may be assumed based on the agreement. Should the selected supplier wish to pursue a marketing partnership or sponsorship opportunities at RDS GP 2022, the Parties will negotiate such cooperation separately.
- 1.4. The Provider **shall not** enter a supply agreement with individual competitors.

2. MINIMUM PRODUCT REQUIREMENTS

- 2.1. The product that is supplied by the Provider to RDS shall be compliant with the TECHNICAL REGULATIONS and the technical specifications of the Championship as published on the official website of the Championship <https://vdrifte.ru/docs/REGULATIONS%20RDS%20GP%202021.pdf>
- 2.2. The product should be capable to demonstrate maximum performance during at least 3 (three) standard competitive drifting runs.
- 2.3. All Products provided by the PROVIDER during the Championship season will be of the same construction, specifications and quality as the endorsed prototype.
- 2.4. All Products supplied under the CONTRACT must be suitable for use at all times during the COMPETITION.
- 2.5. The Provider will supply the RDS with technical information on all available Products.

3. SUPPLY OF THE PRODUCT

- 3.1. **Total 2022 Season demand:**

The Provider will supply to RDS all of the tyres needed for participation at each round of the Championship.

Tyre size	Qty	Testing	Total Qty
265/35/18	7,000	10	7,010
255/35/18	600	10	610

RDS reserves the right to increase the order to a maximum quantity of 10,000 pieces.

3.2. The consignment shall be split into the lots with the following delivery deadlines:

- (a) Prototype tyres for testing – 20 pieces – no later than December 15th, 2021;
- (b) 2,880 pieces – no later than April 1st, 2022;
- (c) 2,720 pieces – no later than May 15th, 2022;
- (d) 2,000 pieces – no later than June 15th, 2022.

Should RDS place an order for extra quantity of tyres, the production and delivery time shall not exceed 120 calendar days from the date of order confirmation.

3.3. **Delivery terms:**

All prices should be quoted on two terms (Incoterms):

- (a) ExWorks – Manufacturer’s production facility or a warehouse
- (b) DDP Moscow, Russia.

3.4. **Marking**

The Supplier will ensure that obligatory marking is applied on each individual tyre in accordance with the Russian legislation.

4. PAYMENT TERMS

- 4.1. Payment terms: 60 (sixty) calendar days upon acceptance of the Products at the RDS warehouse, based on a Supplier invoice.

5. LIABILITY

- 5.1. The provider shall indemnify and hold harmless RDS from and against all reasonably foreseeable losses incurred by RDS as a direct result of the PROVIDER’s:

- (a) failure to supply the Products of the requisite quantity;
- (b) failure to supply the Products of the requisite quality; and
- (c) negligence in the supply of the Products.
